## Happy Fall – although our weather might not feel like it!

Alpha courses are underway at many churches here in South Carolina, as well as all over the country and world. If you are interested in attending an Alpha in this area, it may not be too late to join as some churches did postpone their start dates a week because of the threat of Hurricane Florence. [Click here](#) to find a course near you. There are also Alpha courses happening at The Citadel, College of Charleston, Coastal Carolina and Clemson. I'm sure they would appreciate your prayers and if you'd like to help support those courses, please consider making a donation to Alpha SC – [click here](#) – and we will send to the appropriate people at the campuses.

Speaking of youth, we are gearing up for a fantastic session with Brock Morgan, nationally known speaker, author and youth pastor. We have been bringing Brock to various locations around the state for the past 5 years and he is back by popular demand to the Greenville area on October 25.

Brock speaks to “all those youth workers who are no longer satisfied with the status quo and who are dreaming and praying and longing for more.”[1] Brock will be speaking about the future of youth ministry over the next ten years. If you are involved with youth in any capacity – as a youth pastor, leader, helper or even as a parent, please consider joining us for this morning. Mark Oestreicher, founder of the movement “The Youth Cartel”, comments “Brock Morgan is, quite frankly, one of the most gifted youth communicators I have ever heard. His storytelling is world class, and he is honest, engaging with just the right amount of blunt.”

A recent participant remarked, “Brock’s time here was crucial for our youth ministry and leaders. We’ve been forming and developing our youth group from scratch for about 3 years now, and Brock has continued to give us the tools and encouragement to take the next steps as our ministry grows. His perspective and wisdom on today’s youth culture is refreshing. We walked away more excited and equipped to care for kids in our youth ministry and in town.”

So whether you are just in the process of developing youth ministry or have been around for a long time, consider joining us in Greenville on October 25. Here is the link to register:

## **Ministry Needs**

As we work to spread the good news of Jesus to all, especially to those who have no relationship to Him, we need your prayers and we need your financial support. Running this ministry is not without cost. The more colleges we can help, the more seminars and workshops we can provide and the more trainings we can offer, all result in many more lives transformed. We recognize there are many worthwhile charities and ministries you can support but this is one which has eternal consequences! We have many more projects we'd like to achieve. Would you consider helping us? You can make your offering to Christian Ministries/Alpha South Carolina, 1928 Davant Circle, Mt Pleasant, SC 29464 or use PayPal or your credit card to donate here:
